

First-Year Performance of Douglas-Fir and Noble Fir Outplanted in Large Containers (Classic Reprint) (Paperback)

By Peyton W Owston

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from First-Year Performance of Douglas-Fir and Noble Fir Outplanted in Large Containers Survival counts and height growth measurements were made in late September 1970. Summarized data were analyzed for each Species by analysis of variance methods appropriate for a randomized block design with treatments arranged in a 2 x 6 factorial. The container effects were isolated in a set of orthogonal contrasts. Standard statistical procedures were used to adjust for the unequal number of trees initially planted per treatment. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
