

Provincial Eye: The Short Stories: Fourth in the Provincial Eye Series (Paperback)

By Keith Spratley

iUniverse, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A change of pace and a change of person. This fourth volume in the Provincial Eye series contains first hand accounts of a number of adventures experienced by the Provincial Eye himself, ex SAS Captain Mike Logan. These range from some bitter fighting in the Syrian desert to an attempt at running a sting operation against Al Qaeda in the South of France, via some highly questionable ghost stories and erotic dream imagery. The stories span a timescale ranging from August 1997 to May 2004. This is a change of direction for the Provincial Eye series. Use of the first person narrative gives better insight to the working of Mike Logan s mind and makes the characters more fully flesh and blood. Some of the blank spaces in the so far published history of Logan and the others are filled in.
