THE LAST HOPE OF OUR KIND: VAMPIRE PARANORMAL ROMANCE ACTION ADVENTURE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It had been over a decade since Ronan had last been within the castle walls. The last time he d left, he d sworn he would never return, having grown sick of being the royal mercenary. Enforcer in the Royal Guard is what they had titled it in a pathetic attempt to bring honor to the role. He would die for his king, but he had grown tired of killing for him. However, the young guard they had sent to fetch him had been so overcome with alarm he was worried the boy would burst into flames despite the moonlight. For he was being forced to return to the land of the vampires, the members of which had been infecting themselves with a daily injection that would allow them to walk in the sun, sun that would normally burn them to death. However, it had been a week since they received the latest batch of this injection, and in the meantime, they are suffering and dying. Only Ronan can save them. Elsewhere, meet Lyra, a lone vampire who had been living off the streets after the death of her only guardian, her grandfather. The only job she could get was that in a warehouse, which she didn t want. But when she meets Ronan, she goes on an adventure unlike any other she has encountered before, against beings that she had never known of. Can Ronan and Lyra survive and return Ronan s people to health?.
