START AND SCALING DEVOPS IN THE ENTERPRISE (PAPERBACK)

BookBaby, 2016. Paperback. Condition: New. Language: English . Brand New Book. DevOps is a fundamental shift in how leading edge companies are starting to manage their software and IT work. Businesses need to move more quickly than ever before, and large software organizations are applying these DevOps principles to develop new software faster than anyone previously thought possible. DevOps started in small organizations and in large organizations that had or created architectures that enabled small teams to independently develop, qualify,...

Reviews

It is really an awesome ebook that I have ever read. It typically fails to expense a lot of. I am very easily can get a enjoyment of studying a written ebook.

-- **Delphia Fay**

These types of publication is the best book available. it absolutely was writtem very completely and helpful. I am very happy to explain how here is the greatest book we have study within my individual existence and can be he greatest publication for possibly.

-- **Lucas Brown**
