Forgotten Books. Paperback. Condition: New. 316 pages. Dimensions: 8.9in. x 6.0in. x 1.0in. His father, an ineffectual, inarticulate man with a taste for Byron and a habit of drowsing over the Encyclopedia, Britannica, grew wealthy at thirty through the death of two elder brothers, successful Chicago brokers, and in the first flush of feeling that the world was his, went to Bar Harbor and met Beatrice OH ara. In consequence, Stephen Blaine handed down to posterity his height of just under six feet and his tendency to waver at crucial moments, these two abstractions appearing in his son A mory. For many years he hovered in the background of his familys life, an unassertive figure with a face half-obliterated by lifeless, silky hair, continually occupied in taking care of his wife, continually harassed by the idea that he didnt and couldnt understand her. But Beatrice Blaine! There was a woman! Early pictures taken on her fathers estate at Lake Geneva, Wisconsin, or in Rome at the Sacred Heart Convent an educational extravagance that in her youth was only for the daughters of the exceptionally wealthy showed the exquisite delicacy of her features, the consummate art and simplicity of her clothes. (Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.
