

Democratic Peace Theory

Filesize: 1.75 MB

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Grin Verlag GmbH Dez 2013, 2013. Taschenbuch. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Titel. Neuware - Essay from the year 2013 in the subject Politics - International Politics - General and Theories, grade: 16, University of Aberdeen, language: English, abstract: The democratic peace theory has been widely discussed by scholars of international relations and whereas on the one hand it is acclaimed as the 'closest thing we have to a law in international politics', it is rejected as not being true by the other side. Whether the democratic peace theory is a useful guidance for policy-makers or not is the conflict of different theories in international relations, namely liberalism and realism. This paper wants to clarify the disparity of liberalism and realism in the aspect of the democratic peace theory and therefore it will start with the idealist perspective, followed by the view of the opponents of the theory and then ending with a conclusion on the merits of democratic peace theory. In the regard of the democratic peace theory it is difficult to find any reliable and meaningful statistical data because this is a field of research that demands various definitions which vary from author to author. They set up different meanings for the terms 'democracy' and 'war' respectively 'conflict'. However, specific ideas of those terms are essential as this paper will point out. However, there have been examples of democracies fighting other democracies in wars, for instance the Kashmir conflicts between India and Pakistan, or in more modern history the 2006 Lebanon War and the five-day war between Georgia and Russia in 2008. 12 pp. Englisch.
