Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

John Hunt Publishing, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. Christy s Journey introduces readers to reincarnation through the real life story of Christy who, under hypnosis, discovers twelve past lives, both male and female, from ancient Rome to Britain, France, Italy, Africa, and America, spending time between lives on the Other Side. The story was transcribed from the recordings of her hypnosis regression sessions with the author. Her journey begins as a teenage harpist entertaining King Edward I of England. She travels with minstrels but finally settles down as a farmer s wife. Christy s other females were: the leader of a coven, a French missionary, a happy middle-class mother, and a rich but lonely American housewife. Her male lives were: an Italian teenager killed in a brawl, a French boy who died of the plague, an African boy murdered in a raid on his village, a stillborn fetus, a deaf baby who died in his cot, and an army conscript who committed suicide. Finally, 2,000 years ago, a successful sculptor in ancient Rome provides the climax of her life journey. These stories are vividly described. The author s reflections take Christy s experience to a deep level of understanding, suggestive of reincarnation.
