

## A Little Book for New Theologians Why and How to Study Theology

By Kelly M. Kopic

IVP Academic. Paperback. Condition: New. 126 pages. Dimensions: 6.9in. x 4.2in. x 0.4in. Whenever we read, think, hear or say anything about God, we are doing theology. Yet theology isn't just a matter of what we think. It affects who we are. In the tradition of Helmut Thielicke's *A Little Exercise for Young Theologians*, Kelly Kopic offers a concise introduction to the study of theology for newcomers to the field. He highlights the value and importance of theological study and explains its unique nature as a serious discipline. Not only concerned with content and method, Kopic explores the skills, attitudes and spiritual practices needed by those who take up the discipline. This brief, clear and lively primer draws out the relevance of theology for Christian life, worship, mission, witness and more. Theology is about life, writes Kopic. It is not a conversation our souls can afford to avoid. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
