### ***Reviews***

*Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Hot Key Books, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. The follow-up to the number one bestseller PAPER AEROPLANES It's a year and a half on from PAPER AEROPLANES, and Renee is now living idyllically with her Auntie Jo. They even have geese, and Renee likes to sit and watch them, wondering if she'll ever find the One - someone who will love her no matter what, and be there for her no matter how bad things get. She and Flo are in their final year at school, and they've got some tough choices to make - like will they go to university? And if so where - and will they go together? Renee's usual ambivalence on the matter shocks Flo, who had assumed they'd continue as they were, the best and closest of friends, forever. She feels as though she needs Renee's support more than ever, so when a handsome young boy enters Flo's life, she finds herself powerfully drawn to his kindness, and his faith. Renee and Flo's friendship will soon be tested in a way neither of them could have expected - and if PAPER AEROPLANES was a book about finding friendship, GOOSE is the novel that explores whether it's possible to keep hold of it.
