## CANCER RECOVERY GUIDE: 15 ALTERNATIVE AND COMPLEMENTARY STRATEGIES FOR RESTORING HEALTH (NEW)

Clairview Books. Paperback. Book Condition: new. BRAND NEW, Cancer Recovery Guide: 15 Alternative and Complementary Strategies for Restoring Health (New), Jonathan Chamberlain, In Europe and the USA we have a 40-50% chance of getting cancer at some time in our lives. So what do you do if you are diagnosed with the disease? The harshness of orthodox treatments (surgery, radiation and chemotherapy) are well-known. Their use is widespread, but their results are not impressive. Faced with these options, informed patients are increasingly seeking out alternative or complementary strategies to take control of their own healing. This book provides an overview of them. Jonathan Chamberlain watched his wife suffer and eventually die - both from her cancer and from the direct effects of the orthodox treatments she had undergone. This experience led him on a journey in search of other methods of overcoming cancer. What he discovered stunned him. There are cures out there - dozens of them - many offering very good chances of recovery. In Cancer Recovery Guide Chamberlain presents 15 simple, practical strategies for becoming well again. These strategies are grouped in three families: those relating to the mind and the emotions (did you know stress makes cancers more aggressive?) ; those relating to the health of the whole body (cancer cannot survive in a tissue environment that is truly healthy); and those that focus on directly attacking the cancer tumours. The personal stories cited throughout the book testify to the curative possibilities of the strategies presented.
