By Tamara Armour

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Writing a book can seem intimidating. How do you fill up two or three hundred pages with words? Where do you start and how do you make your words, seem interesting enough, to make others want to read them? Those are some of the questions, you may be asking yourself right now. Anyone can write a book. Writing a book is about more than filling up pages. Writing is about expressing your thoughts and ideas, in your own words. When you talk to others, you are communicating how you think and feel with them. Writing is the same way, except you are not using an audible voice; you are allowing others to read, what you have just spoken- through paper.
