Covey passed away in July 2012, leaving behind an unmatched legacy with his teachings about leadership, time management, effectiveness, success, and even love and family. A multimillion-copy bestselling author of self-help and business classics, Dr. Covey strove to help readers recognize the key elements that would lead them to personal and professional effectiveness. His seminal work, *The 7 Habits of Highly Effective People*, transformed the way people act on their problems with a compelling, logical, and well-defined process.
