

## Dictionary of the Vulgar Tongue (Paperback)

By Francis Grose

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Throughout history, most dictionaries have served the purpose of preserving the purity of the language, usually preferring the erudite vocabulary of the affluent upper classes to the salty, constantly evolving slang of their working-class counterparts. That began to change in the early modern period, when several innovative lexicographers began publishing collections of slang terms used by particular subcultures, such as criminals. According to scholars, Francis Grose's Dictionary of the Vulgar Tongue is one of the most important and complete of these early slang dictionaries. Spend some time with this fascinating volume to learn the slang definitions of words and phrases like poisoned (pregnant), shooting the cat (vomiting after excess alcohol consumption), and snoozing ken (a brothel).
