

More Than Just Gay (Paperback)

By Gerald Warden

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sam Preston is a sixteen year old teenager from Great Britain. When he comes out as gay to his parents and his community, he suffers severe abuse and beating. He nearly dies from the severity of injuries inflicted upon him so ultimately his parents make the difficult decision of moving to the USA. At first Sam doesn't have very high expectations of his life in a new country but to his surprise things change positively when he is befriended by a local girl called Marcy. The only problem is, Marcy's hands are often marked by strange looking bruises of which she refuses to talk about. To make matters worse some other girls at school appear to look hurt as well. Will Sam find his courage again and help his new friend or will he fail and lose her forever?.

Reviews

This publication will be worth purchasing. Indeed, it can be enjoyed, still an interesting and amazing literature. I am just happy to inform you that this is basically the best ebook I have got to study within my own lifestyle and may be the very best ebook for ever.

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.
