Little, Brown Book Group, United Kingdom, 2010. Paperback. Book Condition: New. 194 x 126 mm. Language: English . Brand New Book. The ghosts Linda Williamson writes about in this book are not misty phantoms. She prefers to call them earthbound spirits, because that is just what they are - ordinary men and women who, instead of passing into the spirit world when they died, have remained trapped and bound to this world. As a medium, Linda encounters many such spirits. Very few are evil, most are lost and confused. Some do not even realise that they have died. With love and compassion they can be released, so that they can move forward to the place where they belong. If you have ever sensed a presence in your house, glimpsed a shadow out of the corner of your eye, or heard inexplicable noises, it may be that you are sharing your home with an earthbound spirit. Linda explains what to do in these situations and gives a fascinating insight into what it is like to be an earthbound spirit.
