Brand New Book ***** Print on Demand *****.n the motto Grip fast we read: THERE is a pretty story a bout the origin of this motto. The good Queen Margaret of Scotland was one day travelling on horseback with her attendants. She reached the bank of a rapid mountain torrent, which she attempted to cross. Owing to the fright of her palfrey, or the force of the current, she was in imminent danger of being swept away and drowned, when Leslie, Earl of Roth, rushed to her assistance, and, crying to her, Grip fast, rescued her from her peril. From that time the words, Grip fast, became the motto of the Leslies. It is a good motto for anyone to adopt, for it expresses the tenacity of purpose and the perseverance, without which no undertaking of moment can be carried to success. A young man beginning his career might with advantage act in the spirit of it in little actions, as well as in important affairs. It may be confidently asserted that it is more for his interest to be mindful of doing so in...
