Outskirts Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. So, what s really going to happen on the winter solstice of December 21, 2012? Zombies are going to destroy the world. That little nugget of wisdom should not surprise anyone. One can never fully discount the apocalyptic emergence of an undead pandemic. How did this happen? Governments rush to vaccinate their citizens against an exceptionally virulent form of the H1N1 virus. However, certain celestial events cause the sun to release enormous amounts of solar flares and radiation starting on this fateful day. In the span of a few months after the winter solstice, thousands upon thousands of individuals treated with an inadequately tested vaccine become increasingly ill and eventually die. We all know what happens then. Read along and find out the details. Follow our protagonists as they fight to survive.working their way to a rumored safe haven in Maine.
