I had a feeling sincerely pleased. Nanjing Normal University education disciplines over the years the emphasis on moral education theory building. in love with the complex nature of moral education research. This is a series of books on the basic theory of moral education is an important outcome of the period of social transformation of the basic theory of moral education in China . This series is mainly to construct and elucidation of the concept of moral education. So. what is the basic theory of moral education? I think the basic theoretical research on those foundation of a discipline or an academic field. the basic problem with the eternal value. While some themes are relatively stable. but it can often think often new to the enduring value of the discussion. Moral education as a specialized field of education basic theoretical research. it also has some basic theoretical issues. but the basic theory of moral education problem more difficult. because it is to dialysis humanity itself. but also closely linked with the changing times. Humanity research itself is both a timeless. is a topic of the times. is a dynamic complex existence. The core theme of moral education is the discussion of...
