OPENING DOORS: CAROLE NOON AND HER DREAM TO SAVE THE CHIMPS (HARDBACK)

[DOWNLOAD PDF](#)

Save the Chimps, 2014. Hardback. Condition: New. Language: English . Brand New Book. The inspiring true story of how one woman's vision and determination created the world's largest chimpanzee sanctuary. When Carole Noon, a wildlife biology student, attended a lecture given by Jane Goodall, it was a life-changing moment for Carole herself, and, ultimately, for hundreds of rescued chimpanzees. She began working with Dr. Goodall on her ChimpanZoo program, which kindled the passion that would lead Dr. Noon in 1997 to establish the Save the Chimps sanctuary. Opening Doors: Carole Noon and her Dream to Save the Chimps tells the inspiring true story of how one woman's vision and dedication altered the lives of so many, and paved the way for a more humane world. Opening Doors chronicles Dr. Noon's personal journey from ardent animal lover to powerful advocate; from her field work at the Chimfunshi Wildlife Orphanage in Zambia to her initial bid to rescue 141 Air Force chimpanzees, who had been used in early space exploration.
