Definitely one of the better ebook I have possibly read through. It usually will not charge excessive. You wont feel monotony at anytime of your own time (that's what catalogues are for regarding if you check with me).

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There s a sexy, sarcastic billionaire in my bed, and he s wearing a wedding ring. How did this happen? Oh, right. Last year, I found out my insufferable boss was secretly a steamy romance author, and me? I was his unwitting muse. That kind of thing can really charm the pants off a girl - if she s a little bit nuts. Thankfully, I ve never had more than a passing interest in normalcy. Next stop, marital bliss! I mean, what could go wrong? It s not like I have any ambivalent feelings about hooking up with the guy who made my life hell for five years. And it s not as if Adrian accumulated a long list of enemies in his rise to the top. And we re *definitely* not so stubborn that it ll be a struggle to put away our pride and make things work. Okay, so maybe all those things are true. But at the end of the day, all you need is love.and spankings. At least, I sure hope so.
