

Intelligent Otherwise: Identifying, Understanding & Tackling Learning Disabilities in Children

By Meenakshi Dave

Wisdom Tree. Paperback. Book Condition: new. BRAND NEW, Intelligent Otherwise: Identifying, Understanding & Tackling Learning Disabilities in Children, Meenakshi Dave, For our children are always intelligent, it is we who add the otherwise. In a world where conformation to academic and behavioural patterns is considered a yardstick for success and intelligence, even the so-called normal children have serious problems in proving themselves. Now imagine a child born with learning difficulties. He might be extremely creative or a wizard at problem solving but thanks to conditions like dyslexia or dyscalculia, which are actually easily manageable, he would have problems in even getting integrated into the system. This book stemming from author's first-hand experience and sensitive approach, guides us in effectively handling the learning difficulties and unearthing the treasures within our children. Let's be aware and appreciate the uniqueness of our children, for they deserve all our love and understanding - they deserve the best.
