Reviews

This composed publication is fantastic. This is certainly for all those who statte that there was not a well worth reading through. You will not truly feel monotony at whenever you want of your respective time (that's what catalogs are for regarding when you ask me).
(Prof. Mark Ratke Jr.)

SECRET YOGA CLUB 3: ANCHORED IN THE SUTRAS, QUANTUM PHYSICS, AND SAMADHI

Zero-Point Publishing, United States, 2014. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.Ron Adams, growing up in Tucson, going to school, off to college, tragedy, deaths, incarceration, prison gangs, mandatory release, High Sierra, marriage and family, mountains and earthquakes: What is a yogi supposed to do? Simple. Follow the Yoga Sutras and remember Patanjali's words: These Great Vows are universal, not limited by class, place, time, or circumstance. Welcome to the Secret Yoga Club. This series of books (Secret Yoga Club 3 is the third among them) explores the Yoga Sutras of Patanjali, a collection of 196 concise thoughts based on thousands of years of study. The sutras are mostly psychological, a map of consciousness, the landscape from here to samadhi. Many learned commentators see them as eloquent and methodical, and some consider Patanjali the Einstein of sages. His sutras show a fractal structure, growing upon itself from a seed to the universe. But what would a child think? Suppose the first sutra, Now the practice of yoga, is given to Ron as a 2-year-old. And suppose this practice is carried forth through adulthood, one or more sutras at a time? How would it influence life regarding love, family, friends, struggle, and success? Doctors Melvin and Evangeline Adams brought the sutras to the education of their only child, starting at the time he learned to talk. The journey is documented here, all in first person as it occurred.
