Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.

A LOVING RAIN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sometimes in life you get a second chance at happiness. Sometimes your greatest opportunities arrive at the most unexpected moments. There are no age limits on love. There are no boundaries on romance. There are no rules when it comes to matters of the heart. You simply have to open your heart to loving opportunities as they present themselves. This is what happens when two people who have lost their first companions meet on a rainy afternoon above the water in Astoria, Oregon. They are both old enough to know better and still young enough not to care what other people might think. How they sort out this love and romance thing is basically what this story is about. Throw in some embezzlement, lying, lots of missing money and things are just starting to get interesting.
