PRAGMATISM: A GUIDE FOR THE PERPLEXED (PAPERBACK)

[DOWNLOAD](#)

Bloomsbury Publishing PLC, United Kingdom, 2008. Paperback. Condition: New. New. Language: English . Brand New Book ***** Print on Demand *****.This is a student s guide to the historical context, key thinkers and central themes of pragmatism, a concept central to American philosophy.The recent revival of interest in pragmatism has reintroduced into mainstream philosophy the insights and arguments of great American philosophers such as C.S. Peirce, William James and John Dewey. But it has also led to the use of the term pragmatism in a huge variety of contexts, such that students and readers can find this fascinating subject confusing. Pragmatism: A Guide for the Perplexed seeks to dispel some of the ambiguity surrounding the term pragmatism .The book offers a clear and thorough account of this key philosophical movement. Thematically structured, it lays out the historical development and surveys the key thinkers. Crucially, it concentrates on the ways in which pragmatists, both contemporary and historical, have attempted to address some of the most important problems in philosophy. Geared towards the specific requirements of students who need to reach a sound understanding of pragmatism, the book serves as an ideal companion to study of this most important and influential of movements. Continuum s Guides for the Perplexed are clear, concise and accessible introductions to thinkers, writers and subjects that students and readers can find especially challenging - or indeed downright bewildering. Concentrating specifically on what it is that makes the subject difficult to grasp, these books explain and explore key themes and ideas, guiding the reader towards a thorough understanding of demanding material.
