The only reward Gwen Anders got from her rough childhood was a thick skin and hard heart. She s content with her daily grind managing a top NYC nightclub--Eighty-Eighth Floor. So hers isn t a happily ever after. She doesn t believe in those anyway. Then she meets JC. The rich, smooth talking playboy is the sexiest thing that Gwen has ever encountered, but she s not interested in a night-in-shining latex. But when a family tragedy pushes her to the brink, it s JC who s there to teach her a new method of survival, one based on following primal urges and desires. His no-strings-attached lessons require her to abandon her constant need for control. Her carefully built walls are obliterated. Gwen discovers there s a beautiful world outside her prison. Freedom is exhilarating--and terrifying. When she starts to feel something for JC, she fears for her heart. Especially as she realizes that he has secrets of his own. Secrets that don t want to set him free.
