Are these people real or not? What if no one looks at your ad or responds to your messages? AdultFriendFinder claims 34 million members worldwide, and it is only one of many such sites. In all, probably close to a hundred million people have joined such a site at one time or another in the past decade. Millions have succeeded at finding partners-especially women. Millions have failed to find partners-especially men. Millions more are wondering if sex online is for them. Millions will join, then drop out because they didn t approach it the right way. Sex Online is the best guide to AdultFriendFinder and similar sites. And once you have found sex online and a good partner, you might enjoy trying your luck at swing clubs and swinging house parties. This book takes you on a tour, tells you what it s like, explains what to do and what not to do.
