Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It is rare that a scientist's reputation transcends the world of science so much as to become a household name. Stephen Hawking, however, is one such example. Widely regarded as one of the top physicists of modern times, Hawking has made revolutionary discoveries in the field of cosmology and is a prolific author of books and scientific papers, despite having been almost completely paralysed for many years. This book contains some of Hawking's views on a variety of topics in order to give an insight into the mind of this insightful and often humorous character.
