## THE KNIGHT OF THE BURNING PESTLE: FRANCIS BEAUMONT (PAPERBACK)

DOWNLOAD

MANCHESTER UNIVERSITY PRESS, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. This play is a celebration of London life and theatre in which Francis Beaumont's comic genius is given free rein. A grocer, his wife and their two apprentices attending the theatre in holiday mood interrupt and finally replace a fatuous love comedy with their own heart's desire: exotic spectacle and sound English sentiment. This edition presents an accurate modern-spelling text, with full historical and critical introduction and a detailed commentary. The introduction analyses the character of Beaumont's wit and his unsentimental critique of society and of society's stage image. It also places *The Knight* in the contexts of Jacobean comedy and the work of the children's theatrical troupes. An appendix on the songs and a concern for details of production make this edition especially useful to actors and directors, as well as students of Renaissance drama. -- .
