### **Reviews**

*This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Head of Zeus, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. Caitlin never meant to stay so long. But it's strange how this place warps time. Out here, in the middle of nowhere, it's easy to forget about the world outside. It all happened so fast. She was lonely, broke, about to give up. Then she met Jake and he took her to his family : a close-knit community living by the lake. Each day she says she'll leave but each night she's back around their campfire. Staring into the flames. Reciting in chorus that she is nothing without them. But something inside her won't let go. A whisper that knows this isn't right. Knows there is danger lurking in that quiet room down by the lake.
