Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Julie never expected to be a widow, so when her husband Dan dies due to surgery, she can't handle the grief. She runs away from her loving family to escape the memories of the man she loved and lost. With no clue as to her destination, she ends up in the aptly named small town Runaway, where she meets a strange old woman who knows about her loss—but how? Ducking the past and the townsfolk, Julie follows a mysterious voice to an abandoned house where a beautiful horse wanders the property. Julie spends the night in the house but soon meets a ghost named Lilli who died riding the very horse that walks the grounds. Lilli has a request for her uninvited houseguest: she wants Julie to save her husband. Ever since Lilli's death, Dale has been drinking. It won't be long before he kills himself with booze, so Lilli begs Julie to intercede. Scared to death, Julie agrees but has no plans of actually making contact with Dale. She's shocked to find she can't escape Runaway unless she first helps her ghostly friend. Julie must help heal a wounded man and, in the process, heal herself, all on the orders of a ghost who loves too much to leave.
