Coup D Etat USA: The Overthrow of the Constitution Democracy in America (Paperback)

By Juan R Cespedes

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Our vigilance is imperative-democracy and our way of life in America is threatened with collapse. There is a coup d etat brewing in America, and the warning signals are both abundant and frightening. Dr. Juan R. Cespedes, Ph.D., a notable contemporary historian, geopolitical analyst and prolific author, has spent over three decades studying the rise and fall of democratic governments. His exacting research reveals the many and factual reasons to be alarmed. The clearest warnings include a failure by the coup plotters to refuse the use of violence unequivocally, their rejection of the democratic process, and their eagerness to strangle the civil rights of their political opponents. Political extremism such as this, once considered to be confined to the periphery of American politics and inconsequential, has now become established and expected behavior. The legal, ethical, and institutional norms that previously protected the Constitution and the American democratic process are failing us. Worse yet is the fact that the existence of a coup is unknown to most Americans. Dr. Cespedes points out that when this has happened in other countries during the 19th...

Reviews

This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.
