THE BLACKAVELLIAN KNIGHTS PART ONE LIMITED EDITION (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Gregory Graphics (illustrator). Language: English . Brand New Book ***** Print on Demand *****.In a society in which the laws of the land seem to protect the criminals over their victims, someone must bring hope to the hopeless by any means necessary. For years, the law has been after the Drug Starr Cartel, which flourishes like a Fortune 500 company. They operate on street corners, in bars, schools, churches, nightclubs and brothels throughout the state. The wares they sell inflict social, economic, mental and or physical deaths to their victims. The goal of their kingpin, Royam, is to become a coast-to-coast operation, and that s only the beginning. The residents, hostages in their own homes, are afraid to sit on their porches or steps from early evening to the next daylight. There are a few blocks that are under siege 24/7. The cocaine epidemic has increased the crime rate, specifically robberies and break-ins, to an all time high. Our youth, watching in the wings, are lured into this world with the promise of quick money, cars and power. Wanting the respect of women and their peers, our youth seem to have no fear of a quick and senseless death. It s hard to convince those young males to go work for \$5.50 an hour when they observe their buddies making \$500.00 for an 8-hour shift. Who will stand up to these villains who also seem to have the city government in their back pocket? Lenny B and So Good, the Blackavellian Knights, have taken up the cause. What s ironic about these anti-heroes is that Lenny B and So Good were previously gang members and drug dealers, so they understand both sides of the coin. So Good experimented with drugs,...
