Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Practise and Pass Preliminary for Schools is an exam preparation book for school-age students who are preparing for the Cambridge English: Preliminary (PET) for Schools examination. Practise and Pass Preliminary for Schools has been written for students who need to prepare and practise for the Cambridge English: Preliminary (PET) for Schools examination over a relatively short period or alongside another course book. It provides around 30 hours of material. Practise and Pass Preliminary for Schools focuses on exam preparation in a fun and interesting way, providing students with the necessary exam skills together with a wide-ranging revision of the essential vocabulary and grammatical structures required at this level. It is based on the Cambridge English: Preliminary (PET) for Schools syllabus. It is divided into three sections that cover the Reading Writing, Listening and Speaking parts of the exam. It is based on a three-step programme: Prepare, Practise and Pass; in the Prepare section, it introduces and revises key topic vocabulary, together with commonly-tested grammatical and lexical points; in the Practise section, students develop an understanding of what each exam question requires through a variety of confidence-building practice materials; and in the Pass section, the language and skills they have acquired in the previous sections is tested in an exam-style task. It finishes with a comprehensive Practice Test covering the three exam areas: Reading Writing, Listening and Speaking Components: Student s Book (with complete Practice Test, plus irregular verb list); and Teacher s Book (with audio CD; key and tapescript; general tips and exam tips for the students; photocopiable extra Speaking practice material).
