Createspace, United States, 2012. Paperback. Book Condition: New. 276 x 214 mm. Language: English . Brand New Book ***** Print on Demand *****.This workbook includes worksheets for 32 basic equations including the equation for the Pythagorean Theorem. The workbook also covers the terminology and the units associated with each term in the equation. These worksheets are designed for students to be self directed, so they are excellent practice worksheets when a substitute teacher is needed for the day. But of course, they are also meant to be a classroom resource for physics teachers to use for review, class work, or for homework. Each worksheet provides interactive tables and practice problems followed by a mini quiz for each equation.
