Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand New Book ****** Print on Demand *****. The first one took place in the country, at a little tea-party, one snowy night. It must have been some seventeen years ago. My friend Latouche, going to spend Christmas with his mother, had persuaded me to go with him, and the good lady had given in our honor the entertainment of which I speak. To me it was really entertaining; I had never been in the depths of New England at that season. It had been snowing all day, and the drifts were knee-high.
