AUTHORHOUSE, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.You ve got to look for a brighter day and let the memories fade away; you can t take life anymore so in Jesus Christ you move on. In the midst of darkness God becomes your light. Heaven on Earth is a conceptual ideology that which many muse upon. It is very controversial indeed. The niceties on Earth have primarily come from Heaven; so we must acknowledge that not every aspect of the world is purely evil as Earth is in a sense the world or in a factual manner of speaking; our world. However in saying that, we must understand that Earth is only temporary and it can t last forever. Now I hope and pray that my book will encourage and propel you forward into a fruitful and obedient lifestyle whilst taking the plunge into reading God s Word in the Holy Bible. This book is a revised version of the now available Heaven on Earth online by Mr. Lucas Kelly.
