Basic Health Publications. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 8.8in. x 6.0in. x 0.8in. Each one of us is a marvelous unity of body, mind, and spirit, all working together in a single person. Health, by definition, deals with the whole person, not just the body and its tissues or the mind and its emotions. Our health is dependent on the integrated function of all our biological systems, as well as our mind and spirit. Because health is something that belongs to each one of us, our health is our own personal issue, not our doctor's or therapists. Health is very intimate and personal, and each individual needs to take responsibility for what to do and how it should be done. The information in Healthy Solutions can help readers maintain and enhance their own health. Readers will: come to understand how natural medicine views health, disease, and healing; learn to interpret the body's reactions to illness; become familiar with self-care remedies for more than 50 health conditions. Learn how to use homeopathic tissue salts for treating symptoms; master the therapeutic uses of herbs, spices and foods. Healing is not just a matter of eliminating a symptom but deeply involves our...

Reviews

A top quality ebook and the font used was fascinating to read through. It is written in easy terms and not confusing. It's been written in a remarkably easy way in fact it is simply after I finished reading through this publication through which actually altered me, alter the way I believe.

-- Roberto Block

The most effective publication I at any time read. We have studied and I am sure that I will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).
