

Authentic Fakes: Religion and American Popular Culture (Paperback)

Filesize: 6.92 MB

Reviews

A must buy book if you need to adding benefit. it was actually writtern quite perfectly and beneficial. You wont really feel monotony at anytime of your time (that's what catalogs are for regarding in the event you question me).

(Kian Jacobi)

AUTHENTIC FAKES: RELIGION AND AMERICAN POPULAR CULTURE (PAPERBACK)**DOWNLOAD**

University of California Press, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. Authentic Fakes explores the religious dimensions of American popular culture in unexpected places: baseball, the Human Genome Project, Coca-Cola, rock n roll, the rhetoric of Ronald Reagan, the charisma of Jim Jones, Tupperware, and the free market, to name a few. Chidester travels through the cultural landscape and discovers the role that fakery - in the guise of frauds, charlatans, inventions, and simulations - plays in creating religious experience. His book is at once an incisive analysis of the relationship between religion and popular culture and a celebration of the myriad ways in which invention can stimulate the religious imagination. Moving beyond American borders, Chidester considers the religion of McDonald s and Disney, the discourse of W.E.B. Du Bois and the American movement in Southern Africa, the messianic promise of Nelson Mandela s 1990 tour to America, and more. He also looks at the creative possibilities of the Internet in such phenomena as Discordianism, the Holy Order of the Cheeseburger, and a range of similar inventions. Arguing throughout that religious fakes can do authentic religious work, and that American popular culture is the space of that creative labor, Chidester looks toward a future pregnant with the possibilities of new kinds of authenticity .
