

Storybranding 2.0: Creating Stand-Out Brands Through the Purpose of Story

By Jim Signorelli

Greenleaf Book Group. Paperback. Book Condition: New. Paperback. The Ultimate How-To Guide On Brand Storytelling Story logic applied to brandingStoryBranding 2. 0 is an updated edition of the award-winning, best seller, StoryBranding, : Creating Standout Brands Through the Power of Story - a ground breaker - a book that has sparked enthusiasm among marketing luminaries, CEOs, entrepreneurs, and personal branding advocates. Phrases like every brand tells a story, or great brands tell great stories, will always get heads nodding during keynote speeches or Ted talks, says author Jim Signorelli, but few people really know what those phrases really mean. He adds, ask anyone what a story really is, and youll get a hundred answers. Furthermore, ask what a good story and a strong brand have in common and you liable to get lost in the weeds. Jim Signorelli spent a great deal of time researching answers to his own questions about brands and stories. . And what he found was something that provided him with a surprisingly different perspective about marketing than the one the had been holding onto throughout his 35-year marketing career. Specifically, what he discovered was how marketing can fully capitalize on the logic of story. Whether...

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
