THE KEEPER OF THE SWORD (PAPERBACK)

Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Jacob was a young boy that was ready for any adventure that might come his way. He would do anything to go on a safari in the jungle, fight a sword fight with a pirate, or be a brave knight in a castle. He was discouraged that his imagination could only take him so far in his wish for adventure. Yet the adventure that was waiting for him was only a few stair steps away to the attic of his home, hidden behind an ugly picture of a horse painted by his father. Little did he know that his destiny was also waiting there for him. The journey that he was about to go on would take him, his sister Kris, and some new friends, to places where he would not only save a life, but help him understand that adventure also brings danger. The risks he would take would not only endanger his life, but the lives of anyone that would help him on his journey. Jacob s biggest mission would be the one to find his way home. Only he knew the way, if he chose to follow the path that was set before him, by those that had gone on the same journey for many generations. He will be The Keeper of the Sword if he is ready to do whatever it takes to be a hero.
