

Nature Girl (Paperback)

Filesize: 4.54 MB

Reviews

Undoubtedly, this is the best work by any author. It is really simplified but shocks within the 50 % in the publication. Its been written in an extremely straightforward way and is particularly just following i finished reading this publication by which basically altered me, modify the way in my opinion.

Random House USA Inc, United States, 2011. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Nature Girl is a laugh-out-loud funny, feel-good tale of self-discovery, growing up, and girl power that gives a fresh twist to the classic survival story! Eleven-year-old Megan is stuck in the wilds of Vermont for the summer with no TV, no Internet, no cell phone, and worst of all, no best friend. So when Megan gets lost on the Appalachian Trail with only her little dog, Arp, for company, she decides she might as well hike all the way to Massachusetts where her best friend, Lucy, is spending her summer. Life of the trail isn't easy though. And on the journey, Megan faces everything from wild animals and raging rivers to tofu jerky and life without bathrooms. Most of all though, Megan gets to know herself both who she's been in the past and who she wants to be in the future and the journey goes from a spur of the moment lark to a heroic quest to prove herself to Lucy, her family, and the world! Fans of Lisa Yee and Phyllis Reynolds Naylor will delight in Jane Kelley's irresistible debut.
