

How to Kill a Unicorn: How the World's Hottest Innovation Factory Builds Bold Ideas That Make It to Market (Hardback)

Book Review

This is the finest publication we have read through right up until now. Better than ever, though I am quite late to start reading this one. It's been written in a remarkably easy way in fact it is only after I finished reading through this book that I basically altered me, affected the way I think.

(Dr. Gabriella Hayes)
