

Scuzzy Cuzzy (Paperback)

By Mary Gray Russell

Autumn Arch Publishing, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have your parents ever sent you to someplace you didn't want to go to? For me, it was summer camp. Camp Peony Pines to be precise. It's not necessarily camp that's the problem, but that my parents want me to go with my scuzzball cousin, Caryl. Caryl and I simply have nothing in common. We might as well be from different planets. She's a flea market wrapped up in a garage sale, delivered in army surplus. I simply cannot go. It will be the end of my life. But off to camp I go, where things take a surprising turn. And the most unexpected person comes to my rescue.

Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that I am sure that I am going to go through once more again in the future. I am happy to explain how this is the very best book I have read through in my individual lifestyle and may be the best publication for at any time.
