THE RAINBOW HORIZON: A TALE OF GOOFY CHAOS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book concerns the insane, inebriated, satirical adventures of a group of four young friends who meet in the wilds of WA State. Set in the little town of Rama, the antics of three people of color and one overbearing white Montanan reverberate with the love of life and the apolitical, incorrect universe of those who cannot stay within the rational boundaries of ordinary writing. Tongue-in-cheek, acerbic and ruthless in its skewering of the literature of people of color, white people and feminism, the book covers stories, romantic tales and cartoon idealism - without letting up for one second. It s a comic farce steeped in the charms of the Pacific Northwest, full of poetry, science fiction, and flurries of bombastic charm mingling with the splendor of how far you can go in life without getting anywhere else. I m offering this book to be distributed widely for as cheaply as possible, completely for free eventually. I want its entire world of readers to simply enjoy my crazy stories, without needing to care in an abstract manner about my end of the sales. Read my book, open your silliest eyes wide, and laugh out loud! By the way, there s a significant overlord herein. You may have met him before. Anyway, just think he s only one idiotic man, and that s how it works. A rollicking Woody Allen type farce containing ideas unseen before by modern society, including the backstories of those main characters: Gabriello Beau Hooter Sancto, Saragina DeSoto, Caza Zooweiler and Artie Blend. These single souls meet in the boonies, spending their time looking for work, love and laughter in a spurious, charming, sophisticated, light-hearted manner that..
