

Touching the Soul (a Therapeutic Guide to Spiritual and Personal Growth)

By M. P. A. , Diana F. Lee M. Ed.

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 56 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. Touching the Soul provides a positive, practical how-to guide to help readers learn a new spiritual imagery counseling technique to heal the soul. Readers will find this book easy to follow and inspiring. By numbering the steps in the processes, it breaks down a very complex technique into clear and manageable steps, making it easy for counselors, pastors, chaplains, spiritual directors, or psychologists (even those who are beginners) to apply the spiritual imagery in their own practices for individual or group therapy. The tone is conversational and welcoming, and the anecdotes and case study add a friendly, down-to-earth touch. Readers from a wide variety of spiritual backgrounds can use the book. This book is borne of working with grief in a way that honors the natural self-regulation of emotion (Blessed are they that mourn, for they shall be comforted Matt. 5: 4). Many clients come into counseling angry with God or their Higher Power either for what has happened or because their fervent prayers went seemingly unanswered. They experience a grievance with God and have not forgiven God for disappointing them....

Reviews

An incredibly awesome publication with perfect and lucid reasons. It can be written in simple phrases and not confusing. I am just delighted to let you know that this is actually the very best publication I actually have studied during my very own lifestyle and could be the best publication for actually.
