In telling the story of The Making of Faith, Victoria Baker begins with the positive statement that everyone faces challenges in life. She proceeds to tell how she meets her crushing challenges. Victoria does so with unabashed heroic faith. The unseen but ever present Universal Power carries her through every step of the way and helps her to let go of the past, and be fulfilled in the present. - Victor P. When life around me fell apart, I chased after God begging, oh yes, pleading for my sanity and strength. Holding onto anger, hurt, and control at the end of my long marriage, coping with the anguish of one son s autism while fighting, no, battling for educational support, kept me stuck. Giving up, surrendering to this Love who has promised through the ages to never let me go, I believed. While it felt magical, I realized it was God s longing for me, my children, and even those who hurt us to be whole, free, and peaceful. When I gave our Creator my heart, my life - our lives were never the same. We were made new. Love changes everything! Allowing the Divine to use her to tell a story of Love that won t let go, Victoria Baker unashamedly admits her absolute need for God. Coming to grips with the end of a long marriage, fighting for educational support for one son with autism, and the anguish of becoming a single parent of two young boys, ages seven and nine - she found herself devastated and up all night. All your beautiful, inspiring, obedient sentiments uplifted my soul. - Catherine M. Baker...
