Abingdon Press, 2014. Paperback. Condition: New. Language: English . Brand New Book. Broken and Blessed is a six-week study that traces the story of the Genesis family from Adam and Eve through the generations to Joseph, bringing blessing from brokenness. We will see that despite both good and bad traits that were passed down, God worked for good in every generation--determined to transform those within and outside the family bloodlines. The study ends with the story of Joseph, who decided to stop the cycle of previous generations, offering forgiveness and grace to his brothers. Through these stories of Genesis, New Testament teaching about family, and stories of contemporary families changed and used by God, this study shows us how God can use our own imperfect families to bring blessing in a hurting and broken world. The Participant Book contains five daily readings per week, each including Scripture, reflective teaching material with questions and space for recording responses, prayer suggestions, and ideas for practical application. Other components for the Bible study, available separately, include a Leader Guide, DVD with six 25-27 minute sessions featuring closed captioning, and boxed Leader Kit.
