

## Facing the Unthinkable (Paperback)

By Raymond Creed

Rebuild Christianity Publications, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Facing the Unthinkable anticipates the strong emotions that may be expressed by many Jewish people at the time of Israel s public recognition of the true Messiah. Near total despair will suddenly change to exuberant joy. It uses a scriptural, interactive liturgy which assumes that both the nation of Israel and the whole of humanity itself may well be on the brink of annihilation before this unique recognition takes place. God will allow such horrendous suffering to occur in order to break human resistance to His divine will and to highlight the futility of any attempt by Man himself to create a New World Order.It breaks new ground by using a creative liturgy exploring the spiritual and psychological processes which may possibly be experienced by a surviving remnant of Jewish people when they recognize the true Messiah.This book will be of particular interest to members of the Messianic Jewish Community and to any Christians with an interest in Israel and Bible Prophecy,
