## THE SHOVEL: A BUSINESS NOVEL

Robert Reed Publishers. Paperback. Condition: New. 144 pages. When Tragedy Meets Transformation Tap into the power of simple, yet proven principles to move the mountains in your life and create the power you need to be phenomenally successful. Learn to close the gap between where you are today and where you want to be tomorrow. Develop powerful partnerships that will catapult you to success beyond your wildest dreams. THE SHOVEL is a story of courage and the determination of the human spirit to overcome adversity. Within all people lies a yearning to experience something in life that is fantastically wonderful, even transcendental and magical. Lincoln, a troubled young man who had numerous mystical encounters with a crusty old prospector who repeatedly used a shovel to teach object lessons in personal transformation. In a world where hope and optimism about the future seem to grow increasingly dim, THE SHOVEL wrestles with the ageless question: How do we move the mountains of trouble in our lives That's what this book is about moving the mountains in your life. Show up each day with a positive attitude and create successful habits today will produce the life you want tomorrow. Take responsibility for your life by owning up to your actions without making excuses or blaming others. Develop a clear vision of what your future will be and set specific goals to get there. Be...
