Chicago Review Press, United States, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. During Prohibition, while Al Capone was rising to worldwide prominence as Public Enemy Number One, the townspeople of rural Templeton, Iowa population just 428 were busy with a bootlegging empire of their own. Led by Joe Irlbeck, the whip-smart and gregarious son of a Bavarian immigrant, the outfit of farmers, small merchants, and even the church monsignor worked together to create a whiskey so excellent it was ordered by name: Templeton rye. Just as Al Capone had Eliot Ness, Templeton s bootleggers had as their own enemy a respected Prohibition agent from the adjacent county named Benjamin Franklin Wilson. Wilson was ardent in his fight against alcohol, and he chased Irlbeck for over a decade. But Irlbeck was not Capone, and Templeton would not be ruled by violence like Chicago. Gentlemen Bootleggerstells a never-before-told tale of ingenuity, bootstrapping, and perseverance in one small town, showcasing a group of immigrants and first-generation Americans who embraced the ideals of self-reliance, dynamism, and democratic justice. It relies on previously classified Prohibition Bureau investigation files, federal court case files, extensive newspaper archive research, and a recently disclosed interview with kingpin Joe Irlbeck. Unlike other Prohibition-era tales of big-city gangsters, it provides an important reminder that bootlegging wasn t only about glory and riches, but could be in the service of a higher goal: producing thebest whiskey moneycould buy.
